

# Dastard Inc - Petrification Department

Amber Scenescent MSc

Last updated: 05/04/2022

## **Project Lies**

Experimental soul transplantation  
Code name: Project Lies

---

## **Justification**

To provide the ability of placing the mind of one individual into the being of another.  
Just saying, spies could be useful.

---

## **Development**

Assignment: **Amber**  
Email [amber.scenescent@dastard.inc](mailto:amber.scenescent@dastard.inc)

Collaboration:

- Erika  
Email [erika.definitelynotanerinyes@dastard.inc](mailto:erika.definitelynotanerinyes@dastard.inc)

Onset: Availability of willing participants from selection  
Duration: Continuous

## Data

*To input patient data*

Instance	$n_{\text{body}}$	$n_{\text{mind}}$	Biome	Location
1	a	b	c	d
2	w	x	y	z

## Protocol

I suspect the necessity for a magic man, but I could be proven wrong.

---

## Sustainability

See Project Puppies & Project Kitties, subsection Sustainability.

All experimental patients will receive the same benefits as core project patients. Experimental patients will have high frequency checks for health progression and project-specific development.

---
